CHOOSING A LENDER:

We recommend that you choose a lender who participates with Texas Guaranteed Student Loan Corporation (TG). Choosing a lender who participates with TG will provide for the most efficient delivery of your student loan funds. This will allow you to benefit fully from the Master Promissory Note (MPN). You can verify that your lender participates with TG on their web site (http://www.tgslc.org/factsheets/lenders/new_lender.cfm) or by calling 1(800)252-9743. If you choose a lender who does not participate with TG, you will be required to complete a new **Master Promissory Note** each year. **This will increase the processing time for the delivery of your student loan funds.**

Additional loan information is available on our web site: <http://finaid.utexas.edu/sources/loans/>

MASTER PROMISORY NOTE (MPN):

The MPN is required of all FFELP Loan recipients. The MPN allows students to receive potentially all Stafford or Graduate PLUS loan awards simply by signing one note for Stafford Loans and one note for Graduate PLUS Loans. The MPN is valid for up to ten years maximum. Please note that changing your lender will require you to sign a new MPN, even if you have previously signed one.
